Spring **Disorders**

shattered nerves, tired Celery Compound, and it has given entire as isfaction as an appetizer and blood purifier."

T. L. Berner, Watertown, Dakota. are the natural outcome in the Spring. A medicine must be used, and nothing equals

Bricadier-General W. 1. Greenleaf, Burlington, Vi., writes: "I have used Paine's Celery
compound on several occasions, and always
with benefit. Last spring, being very much run
dewn and debilitated, I commenced taking it.
Two bottles made me feel like a new men. As
a general tonic and spring medicine I do not
know of its equal."

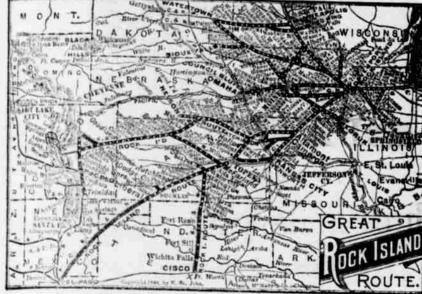

Paine's **Celery Compound** Paine's Colery Compound. We let others praise us—you cannot help believing a disintegrated party.

Its prescribed by physicians, recommended by druggists, endorsed by ministers, praised by users, and guaranteed by the manufacturers, as a spring medicine which will do all that is claimed for it. Use it this spring, and see how quickly it tones you up.

Purifies the Blood.

Full accounts of wonderful cures made by Paine's Celery Compound after other medicines and the best physicians had falled, sent free. There's nothing like it. \$1.60. Six for \$5.00. Druggista. WELLS, RICHARDSON & Co., Burlington, Vt.

W. A. GUTHRIE, Contractor and Builder,

Plans and estimates furnished. 'A specialty made of fine work. All orders atterpromptly and satisfaction guaranteed. ROCK ISLAND, ILL.

An iceberg is the sea end of a glacier or The glacier is being continuously pushed into the sea from the weight

above an I finally great masses become detached. Hometimes these masses break up into comparatively small pieces, and are called drift ice; if they form flat surfaces it is called field or floe ice, outhern movement of the ice begins.

In March the mid-Atlantic is warm and the polar sea cold; the winds, in consequence, blow from the north to the south, and impel the floating ice and bergs in the same direction. Drift and floe ice soon melt in the me one box of Blood Balm Catarrh Snuff warm current which flows over the Banks of by return mail, as one of my customers is Newfoundland, but icebergs being so thick taking B. B. B. for catarrh and wants a float down as low as latitude 40. In crossing box of the snuff. B. B. B. gives better the ocean from here to England, the track of satisfaction than any medicine I ever the ocean steamship carries them diagonally sold. I have sold ten dozen in the past across the iceberg tracks, and there is danger ten weeks, and it gives good satisfaction of collision during a fog in daytime or the darkness of the night. A steamer at full speed sighting an iceberg dead ahead half a mile could not stop or back in time to avoid a crash. Therefore, nearly all steamers take a southerly course from March to August, or until the feeberg season is considered over. A prespondent in Golden Days tells the story of a German ship that went to pieces on an iceberg in latitude 50 degs. The crew took refuge on the ice, built a hut out of wreckage and spent eight months drifting around, until they were picked up in latitude 41 degs., about 750 miles south.

Awaiting Orders.

his employer found the basin filled with soap-suddy water once more. He called to the office boy and said: "The only thing for you to do is to practice filling and emptying this basin for an hour or so."

Then he went out, and when he came back he found that boy of his laboriously filling the cause and cure of blood poisons, the basin with water and then as carefully scrofula and scrofulous swellings, ulcers, withdrawing the plug to allow the water to sores, rheumatism, kidney complaints, catarrh, etc., can secure by mail, free a copy of our 32-page illustrated book of Since that the employer of this phenomenal boy has been hard at work devising new and startling proof ever before known. form, such as sending him out to walk four

You might think a man who has an office boy would have more sensible business for him to do, but I must tell you that this man is waiting for certain machinery before he can go to work, and he simply hired the boy to help him wait.—Pittsburg Dispatch.

STREET CARS IN MOTION.

of the Struggle.

require the assistance of the police. A large store. number of passengers were carried on all the lines, especially on the Motor. Every train on this line was crowded. The engineers handled their engines very skilfully, showing that they were perfectly competent men. Bioting Does Not Pay. Since Sun lay's riot public sympathy has

turned from the side of the strikers to that of the company. The strikers, too, deprecate mob rule, and maintain that thay had nothing whatever to do with the riot. The rioters were arraigned in the municipal court yesterday and each of the 35 men arrested were fined from \$10 to \$100 and with from ten to ninety days in jail, according to the offense. An Order to the Police.

Chief of Police Brackett issued an order to o the capta ns of police last evening ordering them to dismiss every man on the force who is in sympathy with the disorderly element, to arrest every man, woman, or child who talks to a street car employe—while said employe is performing his duty-in order to persuade him to leave the service of the company or to abanton his car, and to assist in replacing cars on tracks in case of derailment, etc. Any officer refusing to obey these orders to be dismissed immediately.
